# Service-Learning & Community Involvement

## Summer Internships Search

Let the CELL program, **Community Empowerment through Learning and Leadership**, help you locate a summer internship with a nonprofit now. As a student organization, CELL serves as a resource for students who want to connect their skills and interests with a Twin Cities community organization and take action for social change. CELL challenges the idea of what it means to volunteer or intern by advocating for a greater sense of involvement and a heightened sense of understanding through an on-going commitment and critical thinking. This is accomplished through a process called service-learning. If you want to meet with a CELL advisor to find out about opportunities, stop by 345 Fraser Hall to fill out a form and make an appointment.

## Career and Community Learning Center Position

The **Career and Community Learning Center** is hiring a full-time AmeriCorps*VISTA position beginning this August. This VISTA member addresses student preparedness for community work by implementing and co-facilitating the “Get Up, Get Into It, Get Involved” pre-community-involvement training. This three-hour training session addresses such issues as systematic oppression, racism, diversity, the notion of service and more. Additionally, the VISTA member implements reflection sessions for students involved in community work. These reflection sessions address various community issues and address the need for students to critically think about their community work in order to have transforming experiences. To find out more about AmeriCorps and/or submit an application, visit the AmeriCorps website at www.americorps.org. For more information or a full job description contact Kristin Dawson at 612-624-6574 or kdawson@class.cla.umn.edu.

## AmeriCorps

**AmeriCorps** has lots of job openings starting Fall 2003! For complete job descriptions, application procedures and answers to commonly asked questions, visit our website at www.admissionpossible.org.

- Serve as an Admission Possible representative in a local public high school. Work directly with juniors providing ACT/SAT preparation sessions and working with students on an individual basis providing guidance and subject specific assistance. This is ideal for future teachers, counselors and youth workers. (1,700 hours from September 2003 to June 2004).

- As an AmeriCorps VISTA member, help build Admission Possible capacity by leveraging community volunteers, implementing communications strategy and coordinating partnerships with colleges and universities. (Full-time, August 2003 to August 2004).

- AmeriCorps Coaches work directly with a team of 8 to 10 low-income young people to help them prepare for college. Duties include helping students prepare for the ACT/SAT, and guiding them through the college admissions process. Approximately 12 to 15 hours per week, September 2003 to May 2004, and again from September 2004 to May 2005. All Part-Time AmeriCorps Coaches will receive comprehensive training. This is ideal for college students seeking experience teaching and working with young people.

## Campaign Coordinator

**Teach For America** seeks undergraduates of all racial and ethnic backgrounds and academic majors to apply for the position of Campaign Coordinator. The Campaign Coordinator works with a Teach For America regional recruitment team to create and implement an ambitious recruitment campaign on campus. The primary aim of this campaign is to recruit talented and diverse college seniors to apply to Teach For America. The secondary aim is to raise Teach For America’s general visibility on campus. The Campaign Coordinator must possess strong critical thinking and communication skills in order to execute a campaign aimed at inspiring top students to apply to Teach For America. A strong candidate exhibits high levels of initiative and responsibility, and is connected to student groups and student leaders on campus. A mandatory training session is scheduled for August 2003. To apply, contact Melanie McGuire at 312-421-8967 or mmcguire@teachforamerica.org.
National Student Exchange (NSE) is a consortium of nearly 200 public colleges and universities in the United States (from Maine to Hawaii!) organized to enable undergraduate students from one member institution to attend another for a term or an entire academic year. Over 550 majors/minors are offered by NSE campuses. Many NSE locations offer a unique opportunity for specialized study. In addition to academic benefits, NSE students learn to appreciate cultural and geographical differences within the U.S. by living and studying in a different area of the country, an experience that is invaluable!
